STORY FOR THE AGES CD from Julia Wade

Released Date: November 16, 2006

Julia Wade's ***Story For The Ages***, produced and orchestrated by Peter Link, is a kaleidoscope of songs that focus on the life, times and teachings of Christ Jesus. The CD is a wonderful mixture of traditional, much-loved songs as well as original offerings by composer, Peter Link.

Musically and lyrically, the CD gives rich perspectives from around the world: from an Appalachian carol, "Jesus, Jesus Rest Your Head," to a Congolese African village's telling of the story of Lazarus, to the Argentine tango, "Tenemos Esperanza/We Have Hope," to the ancient Irish air, "Be Thou My Vision." The focus is international in outreach with a clear vision to bring healing through this music.

The CD is a guitar-based album enhanced with rich, textured orchestrations and a lush, versatile choir woven throughout with the amazing vocal arranging of both Margaret Dorn and John Danny Madden. Just as Christ Jesus reaches young and old alike, ***Story For The Ages*** is a story that will resonate with all ages.

Julia Wade, described by Inside World Music as "the female equivalent of Josh Groban," is an Inspirational and Classical Crossover artist whose work spans diverse musical styles. She has performed nationally and internationally as a concert soloist, as well as in opera, cabaret and musical theatre, including The Rome Opera and Carnegie Hall. Recently, Julia completed a successful 7-year run as Soloist at the headquarters of a worldwide church, The First Church of Christ, Scientist in Boston, MA. Currently, Julia is touring across Planet Earth with her concerts of the Silk Road songs and favorites from her other CDs. Defining her work, Julia says, "I sing evocative ideas, working to inspire change in the world and healing in individual lives."
